INTRO U.S.A

## TACTICAL EDGE

### WHAT ITS ALL ABOUT

An introductory tactical indoor drone workshop showcasing the core principles of our training. Participants get a practical preview of advanced modules and see how drones integrate into tactical indoor operations. This course serves as both a foundation in our methodology and a first step into real-world tactical drone operations.

### TIER 1 GROUP

TIG, 3100 Angeletti Road  
Crawfordville, AR 72327

### Upcoming courses

21-23 October 2025
